### **Major annual subject collections**

We offer major annual subject collections in Law, Business & Management, Economics, Sociology, Social Policy & Education, Geography, Planning & Tourism, Political Science & Public Policy. These are non-overlapping and provide the most cost effective way of acquiring our eBooks.

### **Subject specific collections**

Targeted collections in over 90 different subject areas containing books published from 1994 to the end of last year. These collections include monographs, Handbooks, dictionaries and Research Literature Reviews. 13 of these collections comprise only reference works. Available on perpetual access.

### **Essentials collections**

We have used citation, sales, and Elgaronline usage data to curate these collections of titles that have stood the test of time in key areas of our list. Featuring wide ranges of topics and written by geographically and ideologically diverse selections of our authors, these are essential collections for libraries building well-rounded and comprehensive collections. Containing books published from 1994 to the end of last year.

### **Handbook collections**

Our authoritative Handbooks comprise specially commissioned, peer reviewed, original chapters offering comprehensive analyses of each topic. Our Handbooks are unique in their research focus and, in many cases, the cross disciplinary nature of the topics.

## **Other purchase options**

Please contact us for more information.

### **Tailored collections**

This model allows you to customise your selection from across our whole eBook list. Pick and choose a minimum of 30 titles from across our list to fit the needs of your library. Tell us your budget, the subject areas you are interested in, or a range of publication dates and we can give you a proposal. Available on perpetual access.

### **Encyclopedia**

Our Encyclopedia are available as state-of-the-art, stand alone online resources, exclusively on Elgaronline. These digital editions feature a specially-designed interface, powerful search, direct linking to references and unrestricted campus-wide access.

They are not included as part of our annual collections. Available for individual purchase and on perpetual access.

- Sophisticated search and cross-linking
- Navigation tools to aid use as an integrated resource
- Direct linking to external references
- Free-flowing XML text optimised for on-screen use
- Technology designed to aid library integration
- Users can share, download and print chapter PDFs without DRM restriction.
